

## Web To Print Solutions

Elk Grove Graphics' web to print solutions enable you to create a just-in-time print production and fulfillment tool for all of your marketing and communication collateral. This custom designed web interface integrates the ordering, customization, management and distribution of your print collateral into an easy to use online tool.

### This one-stop shop allows your Marketing staff to:

- Customize and order collateral
- Manage active collateral
- Create a just-in-time print on-demand system

### Ordering is quick and easy

1. Enter your user name and password
2. Select your template and customize it
3. Order the exact quantity you need
4. Select billing method: mailed invoice or credit card
5. Choose delivery location and shipping method

Your order is processed and shipped to meet the demands of your schedule.
